

## CORONAVIRUS (COVID-19) – STATE OF EMERGENCY OPEN MEETING PROCEDURES

The current state of emergency has required the Housing Opportunities Commission of Montgomery County (“HOC”) to change its standard open meeting operating procedures. These State of Emergency Open Meeting Procedures (“Emergency Procedures”) are designed to provide the public with the best possible opportunity to observe the conduct of HOC’s business given the current circumstances.

Due to the stay-at-home directive issued by the Governor of the State of Maryland and the general advisory to participate in social distancing, HOC will conduct its February 18, 2022 Development and Finance (DevFin) Committee open meeting via an online platform at 10:00AM. **HOC’s normal meeting location (10400 Detrick Avenue, Kensington, MD 20895) will be closed to the public.** Instead, the public will be able to observe HOC’s open meeting via a real-time live stream. This platform will allow the public to have meaningful access to HOC’s open meeting.

**Livestream on YouTube:** <https://youtu.be/bwAHFZrtDvY>

It is not HOC’s intention to discourage public observation of its open meetings. If any person has questions or concerns about these Emergency Procedures, including (1) how to access the online live-stream, or (2) how these procedures adequately address the provisions of the Open Meeting Act, please contact Patrice Birdsong at [patrice.birdsong@hocmc.org](mailto:patrice.birdsong@hocmc.org) or at (240)-627-9425.

### Open Meetings Act:

The Open Meetings Act permits members of the public to object if HOC closes any portion of an open meeting. If a member of the public wishes to object to HOC entering into a closed session, they may do so by using the YouTube chat feature. To write an objection in the YouTube chat, type into the chat window “I object on the grounds of \_\_\_\_\_,” and hit enter or submit to register your objection. Alternatively, you may send an email to HOC’s General Counsel at [aisha.memon@hocmc.org](mailto:aisha.memon@hocmc.org).

It is not HOC’s intention to discourage public participation in its open meetings. If any person has questions or concerns about how to object to a closed meeting or how these procedures adequately address the provisions of the Open Meeting Act, please contact Aisha Memon at [aisha.memon@hocmc.org](mailto:aisha.memon@hocmc.org) or at (240) 627-9740
